In re: Proposed 2023-A Allocation Plan – Distribution of RGGI Proceeds

**RESPONSE TO COMMENTS**

**Introduction**

On July 27, 2023, a notice was posted on the websites of the Rhode Island Office of Energy Resources (OER) and the Rhode Island Office of Secretary of State announcing a public comment period to accept comments on the adoption of the proposed “2023-A Allocation Plan - Distribution of Regional Greenhouse Gas Initiative Auction Proceeds” (the Plan). The public hearings were held in Conference Room B, Second Floor of the Powers Building, One Capitol Hill, Providence, RI on August 30, 2023 at 4:30 p.m. Notice of Public Hearing and Copies of the proposed Plan were made available on OER’s website at [www.energy.ri.gov](http://www.energy.ri.gov); by calling (401) 574-9117 weekdays from 8:30 A.M. to 4:00 P.M.; or by writing to Rhode Island Office of Energy Resources, One Capitol Hill, Providence, Rhode Island.

The public hearing was held on August 30, 2023 at 4:30 p.m. At the end of the public hearing, the public comment period was kept open for an additional ten (10) days to allow for the submission of written comments. The public comment period closed on August 30, 2023.

The Regional Greenhouse Gas Initiative (RGGI) is a cooperative effort by Northeastern and Mid- Atlantic States to reduce carbon dioxide emissions through implementation of a multi-state cap-and- trade program with a market-based emissions trading system. RGGI is composed of individual CO<sub>2</sub> Budget Trading Programs in each of the twelve participating states. The Rhode Island Department of Environmental Management promulgated regulations establishing a CO<sub>2</sub> Budget Trading Program that limits emissions of CO<sub>2</sub> from electric power plants, issues CO<sub>2</sub> allowances and establishes participation in regional CO<sub>2</sub> allowance auctions. The states participating in RGGI formed a non- profit corporation (RGGI, Inc.) to provide administrative and technical services to support the development and implementation of each participating state’s CO<sub>2</sub> Budget Trading Program.

Pursuant to Rhode Island General Laws §23-82, RGGI, Inc. (or another independent contractor) is authorized to receive, hold and sell CO<sub>2</sub> allowances for the long-term benefit of consumers. The statute also authorizes RGGI, Inc. to conduct the auctions or sales; collect the auction proceeds; and transfer such proceeds to OER. OER then disburses the proceeds of the auction or sale for purposes consistent with the goals of the RGGI program as set forth in the statute.
